Our Vision

Our vision for CCP is an inclusive and high quality learning environment that bases relationships on Christian values and uses technology to enhance the way we teach and learn, thus laying the foundations for continuous improvement and lifelong learning.

Our vision is of a school full of children who are independent learners, working collaboratively as they evolve into global citizens, understanding the process of learning, thinking, and decision-making.

We are continually striving to be an inclusive school. We recognise that inclusion is not a single event, indeed not even a goal but a direction. Inclusion is not another name for how we provide for those pupils with SEN, or about increasing the range of children in mainstream education. It is essentially about providing quality of opportunity for all, irrespective of; gender; ethnicity; religion; ability; those who are at risk of disaffection or exclusion, or those with physical difficulties.

We have a motivated and skilled workforce that embraces change positively, thus equipping our school for learning in the 21st century. To do this we will develop the potential of all our staff by providing high quality training for teachers and all support staff. We are committed to working together and through wider networks to learn from each other and share best practice.

Our Core Christian Values

The very strong Christian ethos permeates all areas of school life. The mission of the school is expressed in its six core values which are displayed around the school and known by the pupils. These are:

- Forgiveness
- Love for All
- Being Thankful
- Honesty

November 2016

- Celebration
- Fairness

The School has some simple rules:

Using the Christian Fruits of the Spirit (love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control) to help to care for and respect each other and to:

- Be safe
- Take care of property
- Be proud of yourself, your class and your School

The Rules for Responsible Internet Use

As part of pupils' curriculum enhancement and the development of ICT skills, Christ Church Primary School is providing supervised access to the Internet, including e-mail.

Internet access is from the Education Authority who operates a filtering system that restricts access to inappropriate materials. All computer screens are in public view and as stated above, access will be supervised. Should you wish to discuss any aspect of the Internet use or view the system yourself please telephone the school to make an appointment.

These rules will keep you safe and help us to be fair to others.

- I will only access the system with my own login and password, which I will keep secret
- I will not access other people's files
- I will use the computer for school work and homework
- I will not bring in memory sticks from outside unless I have been given permission
- I will ask permission from a member of staff before using the internet
- I will only e-mail people my teacher has approved
- The messages I send will be polite and responsible
- I will not give any personal information, or arrange to meet someone, unless my parent, carer or teacher has given permission
- I will report any unpleasant material or messages sent to me. I understand this report will be confidential and would help protect other pupils and myself
- I understand that the school may check my computer files and may monitor the Internet sites I visit.

Using Images of Children

Public Relations Photos

As part of school life we take many photographs and videos to record the children's achievement and their learning. In order to use some of the photographs outside of the classroom we require permission from parents/carers to use images of children taken at school for use on our website and weekly newsletter, the Tablet. This will also include, on occasion, using the child's first name only.

Please indicate below by ticking the appropriate box whether or not you give permission for your child's image and/or first name to be used as detailed above.

If any outside agencies wish to use any images of any child (this may include newspaper and television companies) the school will contact the parents/carers individually.

Teachers to parents email service

Communication between parent/guardian and school with paper letters can sometimes be a bit “hit and miss”. We now send out letters to parents via email which enables us to ensure that you receive all the information related to your child. Please be assured, the electronic mail service is registered with the Data Protection Registrar and guarantees that all email addresses will be kept completely private. There is no advertising.

I am able/not able (please delete as appropriate) to receive school information by email and give/do not give permission for my email address to be used to contact me.

Sometimes we will keep parents up to date with more ‘live’ information such as the return time of a school trip back to school by text message to enable parents to be better informed. Please ensure that you list your preferred telephone number to contact you by text message with time sensitive information and other short messages.

Please keep the school office updated with any change in email address or mobile telephone number.

Visits within School Locality

From time to time your child will have the opportunity to undertake visits within the local area but outside the school. We ask you to give your permission for your child to participate in these and will inform you as they take place.

I give permission for my child to undertake visits within the school locality.

How you can help.

We welcome your talents in school! If you have any time to offer to support children's learning we would love to hear from you. You can help in many ways, from listening to children read to playing an instrument in assembly, practical workshops e.g. carpentry, drama, gardening, to helping in the library and keeping book corners tidy or accompanying children on school trips. These ideas are not exclusive, we are open to suggestions.

Any adult wishing to help must have DBS clearance. If you have already obtained this, please bring your form to the office so we have a record of the number. If you have not, please speak to the office staff, who will be happy to help you. There is a small charge for the DBS process.
